MEMORANDUM FOR:

[]
DIA/DI-1

STAT

SUBJECT:

[] Participation in an IC Optical Media Seminar

STAT

1. Request approval for DB-2D to participate in the IHC-sponsored Intelligence Community optical media applications on November 29, 1988 at [] has informally agreed to give a briefing and demonstration on their [] mapping application, subject to your approval.

STAT
STAT

2. The purpose of the seminar, the agenda of which is attached, is twofold: (1) to provide a forum for exchange of information on Community experiences in applying optical media and (2) to explore the possibility of forming working groups to address issues or topics of common concern. The seminar will be held at the Secret level and is limited to U.S. Government employees; it will be held in [] from 9:00 AM to 4:15 PM. Twenty spaces have been reserved to accommodate DIA employees; [] (DSE), DIA's IHC representative, is coordinating DIA attendees.
